

SmartMatch™ Over Gut Match.

The AI Hiring Advantage That
Pinpoints Fit—Before You Even Look.

The Hiring Crisis Is Real

4x

Higher turnover in frontline roles than in salaried jobs

70%

Of recruiters lose productivity to resume screening

50%

Longer time-to-fill for hourly roles post-2020

10x

Faster candidate drop off

Here's How SmartMatch™ Takes Back Control

Predictive matching built for high-volume hiring.

1.

Instantly analyzes each applicant's qualifications and preference.

2.

Surfaces top-fit candidates the moment they apply.

3.

Prioritizes the best matches automatically—before recruiters even log in.

Why It Wins

Smarter Fit, Faster Decisions

Uses contextual AI to score real alignments.

Built for High-Volume Hiring

Handles thousands of applicants per role across locations

Modular. No Rip-and-Replace.

Works with your current ATS or HR tech stack
